

Harold the Hot Dog

This is Harold, the mascot for the restaurant Our Food Slaps. Harold is a cheery and bright hotdog that spreads joy and good times. In a time where the price of fast food is only going up, Harold is able to keep meal prices low at Our Food Slaps, allowing everybody to come in and eat, no matter their financial position. Harold is also a very smart business man, with a top hat, cane, and tie to show his business smarts. This is why he is able to keep prices low! Harold also knows that it is important to maintain food at a high quality to ensure customer satisfaction and to keep Our Food Slaps alive for generations to come!
